### 対象者: 18 通信部隊内に所属する MLC 従業員

Position Title/Series Grade/LPL Telephone Central Office Maintenanceman Foreman A, MLC-2446, BWT 2-9, LPL:

Work Place 18 CS/SCOX, Operations, Kadena AB Number of position(s)

#### Summary of duties:

Performs as a working leader and exercises technical supervision over lower graded local national employees (Telephone Central Office Maintenance and Telephone Systems Maintenance Technician) in the work center, serving as a group pacesetter, carrying out more difficult tasks, maintaining group discipline, enforcing safety and housekeeping rules and being responsible for the tools and equipment.

Attends work group meetings and passes on to subordinates instructions received from supervisors. Starts work operation by assigning immediate tasks to be performed by individual members of the group led. Demonstrate proper work methods and insures that needed material and tools are available. Maintains current knowledge of operations and answers questions of other workers on procedures, policies, methods, and deadlines. Reports to the supervisor on status and progress of work and causes of work delays. Answers questions of supervisors on overall work operations and problems. Assists in adjusting work schedules to support organizational mission requirements. Inspects completed work for accuracy and ensures that completed work meets minimum DOD standards. Provides feedback to subordinates on duty-related matters. Follows up on suspense's to ensure completion in a timely manner. Provides weekly and quarterly maintenance reports or other as-needed work-related data to supervisor. Performs work involved in the routine installation, removal, maintenance, troubleshooting and repair of voice and/or data communications systems such as Cisco Telephone Voice Gateway Equipment. Performs touch maintenance programming for Cisco VolP programming during installations/removals/changes. Operates test equipment to set up connections for testing voice and data circuits. Works one-on-one with field technicians to complete work orders (new installs) and trouble tickets as required. Assesses equipment for serviceability prior to installation. Checks newly installed systems for proper operation and clears troubles. Properly maintains tools and equipment associated with central office technicians' job performance, hand tools, and test equipment. Maintains electronic digital Voice IP network systems. Tests components and circuits for malfunctions. Performs repair actions on components utilizing various diagnostic tests and the replacement of faulty parts. Maintains central office records and accomplishes service responsibilities on the main distribution frame and all remote hubs. Performs duties as a test board operator and coordinates with technical control, network infrastructure, and telephone voice technicians in troubleshooting service outages for voice and data circuits. Works under the direction of network controllers from Facilities Control Office (FCO) and the Area Communications Operations Center (ACOC) during implementation of reroute plans, pre-engineering AUTOVON. Observes and complies with all safety and health regulations as prescribed by DOD, assigned agencies/organizations, and local government agencies. Performs minor maintenance on power equipment, generator; tests, charges, and services and storage of batteries; checks storage batteries, rectifiers, and power panels for proper voltage, charging rate, and amperage. Performs regular and special Preventative Maintenance Inspections on support facilities, equipment, components, circuits, and auxiliary equipment. Performs weekly inventory and inspection of all hand tolls and personal safety equipment. Performs other related duties as assigned. Drives a government vehicle.

### Basic Requirements:

- 1. Must have <u>a valid GOJ vehicle driver's license (自動車運転免許)</u> and be able to obtain/maintain a US government driver's license
- 2. Requires work experience in the same line of work that provides evidence of competence in telephone systems maintenance, telephone central office maintenance, or any related career fields.
- 3. Ability to use and maintain tools and equipment to perform the tasks.
- 4. Ability to lead and train subordinates to perform the duties. Excellent organizational and leadership skills is preferred.
- 5. Ability to speak, read, and write English at average proficiency level (LPL-2) is required.

#### <Job Related Requirements>

- 1. Must be in good physical condition.
- 2. Must have normal vision without color limitation.
- 3. Must have normal hearing without the use of aids or other devices.

Work schedule: Mon-Fri (40 hours per week), 0700-1600 (Recess: 1130-1230)

### Required document 必要書類:

- **⋈** KADENA AB Form 1EJ, 20090413
- 🖂 Copies of English Proficiency Test for LPL requirement, see page 2 語学能力を証明する書類のコピー(2ページ参照)
